Hello,

Bethesda's **Familyhome Program** is looking for people who have a heart and interest in working with individuals with Developmental Disabilities. We have people who are looking for a home and a family to be part of on a full time basis. We also have a need for people that want to open their home and hearts on a short term basis and provide a weekend or so of relief for those that are already caring full time for someone.

If you or someone you know would like more information on becoming a Familyhome Provider or Relief/Respite Provider, please contact us for more information on this process. We'd love to hear from you!

Please call: Bev (905-684-6918 ext. 326)
Karen (905-684-6918 ext. 208)
Karlene (905-932-9292)
or Sherry (905-684-6918 ext. 210)

Thank you!

Do you have
a place
in your heart,
a place in
your home?

Barbara does. She's opened
her heart and her home to Lucas,
who has Down's Syndrome.
